Note:
1. At the time of supply of fertile eggs and Day-old chicks of parent/ commercial stock, 5% extra number will be supplied to compensate transit breakage/mortality.

2. Supply of fertile/ hatchable eggs will be done on schedule date of consignment. If party fails to lift the eggs, the order will be deemed cancelled and, in such case, party will not have any claim on institute.

3. If the concerned party does not lift the day-old chicks on the schedule date, extra amount Rs. 2.00/chicks per day will be charged as incidental charges and the chick will be maintained at institute for a maximum of 7 days. If the concerned party does not lift chicks even after that period (7 day), the consignment will be considered cancelled and party shall have no financial claim.

4. In case of natural calamities or such incidences beyond control of requisitioned, the terms will be decided by the committee upon receiving a written request.

5. In Case the party fails to take the delivery of birds of particular age group on a fixed date & bird’s passes to next higher group the rate of the next age group will be charged.

6. Chick box will be free of cost upto one week old chicks for all the germplasm supplied from the institute, thereafter Rs. 60/box will be charged.
